Another Christmas Book.

Becky's Christmas by Tasha Tudor (Viking, $3.00) arrived too late to be included in the Christmas Booklist. It is a companion volume to *Becky's Birthday* both in format and in the warm family feeling. Illustrations, on almost every page, in black and white and in full color have old-fashioned charm and picture the many family traditions and delights that can be crowded into a happy Christmas season. R. H. V.
